AGENDA FOR ORGANIZATION MEETING OF THE FACULTY ORGANIZATION

SENATE:

1. Call to order by the Acting President of the University.
2. Report of the Temporary Organization Committee for the Senate.
3. Election of the Executive Committee of the Senate.
4. Selection of terms of two years and one year for the seven members of the Senate who have been elected for undetermined terms. According to Paragraph 2 of Part V of the Faculty Organization Plan, four of the seven representatives with undetermined terms shall be selected by lot for a one-year term. The remainder shall serve for two years. At the first meeting of the Senate these seven representatives shall draw seven folded slips of paper, four of which shall be marked for one year and three for two years. The Secretary of the Senate shall notify the President and the Faculty of the results of this determination.
5. Meetings of the Senate shall be closed, but the Executive Committee may invite non-Senate members to attend a specified meeting when the Committee determines their presence advantageous for Senate purposes. (The Executive Committee will endeavor to give seven days notice of the presence of visitors to the other members of the Senate at the specified meeting.)  
*filed*  
This proposal for a by-law created a division in the Organization Committee and is referred to the Senate for discussion.
6. The Organization Committee proposes that appropriate office space be secured for the permanent use of the Executive Committee of the Senate and its Chairman.
7. The Organization Committee also proposes that appropriate secretarial assistance be provided by the University for the Senate Committees with suitable equipment included.
8. The Executive Committee should be provided immediately with a list of all the full-time members of the University Faculties and Colleges, with an indication of the rank and seniority of the faculty members, their addresses and telephones. This information is needed at once in order to appoint committees established by the Faculty Organization Plan.
9. The Faculty Organization Plan as adopted by the Board of Trustees should be printed in a format similar to that of the University Faculty Code, for distribution as soon as possible to all existing and new full-time members of the Faculty.
10. The Organization Committee proposes that appropriate consideration be given to a reduction in the teaching load of the Chairman of the Executive Committee, and when appropriate to the reduction of teaching loads of other members of the Executive Committee or of the teaching loads of the chairmen of other committees of the Senate.

THE GEORGE WASHINGTON UNIVERSITY  
The University Senate

October 2, 1962

Dear Professor

The Executive Committee of the University Senate is once again engaged in nominating members for the committees of the Senate. These members will by no means be restricted to those who have currently been elected to the Senate. The Constitution provides merely that "at least one member of every standing and special committee shall be an elected member of the Senate."

We are earnestly requesting assistance in the selection and functioning of these committees. Listed below are the committees provided by the Senate Constitution. In the duplicate copy of this letter and, if at all possible, by October 9th, 1962, please indicate by number---1,2,3,etc.---the order of your interest in a possible committee assignment. Place this number directly beside the title of the committee. We append blank lines on which you may if you wish indicate with appropriate numbering other committees which you think the Senate might well create.

We shall obviously be unable to nominate all faculty members to Senate committees, nor, the complexities of assignment being what they are, shall we perhaps be able to gratify your primary preferences; nevertheless we shall do the best we can.

Your prompt and thoughtful reply to this brief questionnaire will immensely expedite the work of getting the Senate in shape for its third year.

Please send the duplicate questionnaire in its completed form to the undersigned at Government 404.
